

**CITY OF ORANGE
MEMBER OF THE CITY COUNCIL**

DENIS BILODEAU

OCCUPATION: President, Orange County Water District; Traffic Engineer

As a longtime Orange resident and homeowner, I am honored to be a candidate for the City Council. You deserve to be represented by someone already experienced managing multi-million dollar municipal budgets.

I have experience serving on the Board of Directors of the following agencies: The Orange County Water District, The Orange County Transportation Authority, and the Foothill Eastern/ San Joaquin Hills Toll Road Agency.

As your President of the Orange County Water District, I have led it through financially challenging times. To ensure sound fiscal management and the lowest water rate possible, I directed the elimination of 11 non-essential positions. Without these reductions, water rates would have increased dramatically. Government agencies need to operate with increased efficiency. I am proud of the cost cutting measures taken at the Orange County Water District and believe it has provided an example for the City of Orange to follow.

My wife Suzanne and I have two wonderful children and want to raise them in the safest environment possible. This guiding principle will ensure that our police and fire agencies are well equipped to keep our community safe.

I respectfully ask for your vote.
